

PB&J Food Drive

September 11 to October 27

Join together with your teachers, students, coaches, teammates, family and friends to start collecting as much PB&J as you possibly can. We are able to stock over 40 food cupboards with PB&J for a whole year!

For more information on either of these options, contact Denise Hopkins at 215-895-3470 ext.77823 or dhopkins@ndsarch.org

Thanks for your support!
