

PB&J Food Drive

September 6 to October 26

Two new ways to donate:

1. traditional food drive -join together with your teachers, coaches, teammates, family, and friends to start collecting as much PB&J as you possibly can. We are able to stock over 40 food cupboards with PB&J for a whole year!

2. online food drive-this drive can be found at:

<https://yougivegoods.com/ndscfp2022>

Groups can join together to collect donations (ex. dress down day) and go to the online site to purchase PB&J. It's a simple way to donate and a great option for busy parents/teachers.

For more information on either of these options, contact Denise Hopkins at 215-895-3470 ext.77823 or dhopkins@ndsarch.org

Thanks for your support!
